San Jamar Brings You Simplicity

Elkhorn, WI – San Jamar adds another touchless solution to its family of Hands Free dispensers with the introduction of Simplicity, the Mechanical Hands Free. Simplicity brings to market the ability to source most types of paper into a reliable Mechanical Hands Free Dispenser from San Jamar.

- **Universal** – Dispenses most paper types.
- **Hygienic** – Reduces chance for cross contamination. The user only touches their personal towel, no need to touch a lever or crank.
- **Consistent Dispensing** – Dispenses and cuts pre measured 11” towel for maximum usage control.
- **Simple** – No batteries necessary, just mount and go.
- **Complimentary Design** – Coordinates with San Jamar Classic Family.

The Simplicity is the newest addition to San Jamar’s complete line of hands free universal roll towel dispensers. This family of touchless dispensers includes the Smart System and Tear N Dry electronic dispensers. San Jamar’s Integra lever dispenser also allows for hands free dispensing with its integrated front dispensing arm.
