SPACE SAVING
USE ON A CART TO ADD
PREP CAPACITY

FASTER PREP
PORTION AND SWEEP STOCK
DIRECTLY INTO PANS

RAISED PREP SURFACE
REDUCES FATIGUE AND INJURY

Designed for the way you want to prepare food.

Versa-Prep™ System is the first cutting board system that works with standard pans to make food prep easier and safer than ever. The Versa-Prep™ System raises the prep surface to a more ergonomic level allowing for fast sweeping and segregation of stock and waste. Easy set-up makes Versa-Prep™ also ideal for catering or as a temporary food-safe prep station on a standard cart.

U.S. & foreign patents pending

SAN JAMAR
Smart ♦ Safe ♦ Sanitary

Designed for the way you want to prepare food. **The Versa-Prep™ System.**

Unique co-polymer material resists cut grooving and warping.

Patented Food Safety Hook provides **sanitary transport & storage.**

Integrated opening allows for **fast sweeping of foods** directly into prep pans.

Gripping feet raise prep surface and hold station securely in place; **reduces fatigue and injury.**

Reverse side of Versa-Prep™ Board contains **in-laid groove** for draining juices or preparing on full-size food pan.

Embossed ruler feature for **easy portioning and cost savings.**

DON'T DO THIS
Versa-Prep™ System separates stock from waste directly into pans; eliminating cross-contamination risk
